

# PARSHA KORACH

What did Korach do?

- He started an argument with Moshe about who should be the leaders of Bnei Yisroel

How many men joined Korach in his argument against Moshe?

- 250

Which shevet were the men that joined korach from?

- Reuven

What do we learn from this?

- The tribe of Reuven was neighbors with Korach and if you are neighbors with not good people, you too can end up acting not good.

What happened to Korach and his men?

- They ground opened up and swallowed them

What happened to the sons of Korach?

- They did Teshuva and a special ledge in the pit where they were saved.

What did the sons' of Korach say?

- Moshe Emes V'Soirosi Emes- Moshe is true and the Torah is true

What did the son's of Korach merit to do?

- To make up a chapter that Dovid Hamelech wrote down in Tehillim.

What did Moshe tell all the leaders of the shevatim to do?

- To bring a stick to him

Who else had to bring a stick?

- Ahron

What did Moshe do with the sticks?

- He placed them in the Ohel Moied

Where did Moshe put Ahron's stick?

- In the middle of the sticks that were given by the heads of the shevatim

What happened?

- Ahron's stick started sprouting blooms and growing almonds.

What did this prove?

- That Hashem chose Ahron to be the Kohen Gadol
